## product features

- By reacting with the enzyme of saliva in a mouth, you can experience the self-heating of  $38^{\circ}\text{C} \sim 44^{\circ}\text{C}$  about instantly.
- It is said that this is evidence that the enzyme that has been dormant is back in action.
- Because it is a sublingual absorption difference and common food, reaction appears momentarily for anyone.
- By enzyme is activated, purification diet metabolic Detox eliminate constipation, blood supporting the activity in the body, such as anti-aging, enzyme is often used.
- This enzyme powder is a completely new product which you can feel instantly.
- However, it is unlike such as medicine, the raw material  
Because we do not use chemicals to plant fermentation liquid, there is no limit to the amount you drink.
- It is possible to "represent the effect instantly" that could not be a health food supplements
- Moreover, it is the product which can "to confirm the effect in the eye" even if you use thermography.
